

PRODUCT MESSAGING /

Dive into the action with OtterBox's Frē Series. Originally designed and engineered by LifeProof, the Frē Series waterproof case with MagSafe is sealed up, so you submerge it to 2 meters for 1 hour. It covers your phone on all sides with an integrated screen cover and is rated to 5X military standard drop defenses to survive hard falls on dry land. Now, anchors are built-in so you can connect straps, and it snaps securely to MagSafe accessories. For easy Camera Control interaction, Frē Series has a silicone skin over the button that's touch sensitive, fully sealed and works with Apple's visual intelligence.
