

## Origin Storage Enterprise SSD, Hot Swap, 1920GB, MWL, 3 DWPD, 2.5 inch (6.4cm), 6G SATA

### Key Features

- 100% hardware compatible HDD / SSD
- Plug & Play solution
- Complete kit incl. hot swap caddy
- Does not invalidate OEM warranty
- 5 Years advanced replacement warranty

Origin Storage Ltd. manufactures a comprehensive range of compatible storage solutions for many branded servers, laptops and desktops. All compatible HDD and SSD solutions come with up to 5 years advanced replacement warranty and free pre- and post-sales technical support. Our offering includes 100% hardware compatible storage solutions in M.2, 2.5 inch and 3.5 inch form factors to suit your use cases with SATA, SAS or NVMe interfaces, and in a wide range of capacities and rotational speeds. All Origin Storage storage upgrades have been designed and tested for the specific system and, if necessary, mounted in the appropriate fitting kit / hot swap tray for an easy upgrade and 100% hardware compatibility (no software compatibility assured with tools like OpenManage or Insight Manager).

### Product Details

Product	Origin Storage DELL-1920EMLCMWL-S16
Description	Origin Storage Enterprise SSD, Hot Swap, 1920GB, MWL, 3 DWPD, 2.5 inch (6.4cm), 6G SATA
Article Number	DELL-1920EMLCMWL-S16
EAN-Code	5056006107200
OEM-Numbers	400-ALHB, 400-ATQH

### Main specifications

Type	Hot Swap Server Drive
Capacity	1.92TB
Form Factor	2.5 inch (6.35cm) inches
Interface Type	SATA
Spindle Speed	- RPM
Cache	- MB

Hardware Compatibility

### STORAGE - ENCRYPTED SOLUTIONS - MEMORY - ACCESSORIES

Dell PowerEdge R330, R430, R530, R630, R630XL, R730, R730XD, R730XD XL, R730XL, R830, R930, T430, T440, T630, T640 (G13 HDD Backplane), PowerVault NX3330

Warranty	5 Years Advance Replacement
Box Contents	HDD / SSD mounted in hot swap caddy
Weight	ca. 500 g
Customs Tariff Number	84717050
Country of Origin	United Kingdom
