Disposal and recycling information

The crossed-out wheeled bin symbol means that this product must be disposed separately from household waste. As an end user, you are obliged to dispose the product in accordance with the respective national regulations for separate collection, for example by depositing it at an official collection point. Returning it to the retailer is also possible if the distributor offers voluntary return or is legally obliged to do so. Separate collection is a valuable contribution to the protection of the environment and human health, as the proper treatment of waste equipment avoids potential negative effects caused by the presence of hazardous substances and protects raw materials by recovering them.

In addition, please note that waste prevention makes an even more valuable contribution to environmental protection. Where possible, therefore, in addition to continued own use or repair, handing over to secondary users is an ecologically valuable alternative to disposal.

Please read these instructions
carefully before using the product
and store them properly.

ARTICONA

Introduction

This hub product is designed with four interfaces in different directions, which do not interfere with each other during use. It is very suitable for use in conference rooms, desks and other occasions.

- Switch on your computer and boot the system.
- Connect the product to a free USB port on your computer.
- You do not have to install drivers; the computer will automatically recognise the product.
- If necessary, follow the instructions for your operating system.
- In order to use your devices, plug them into the product one after the other.

It is recommended to supply power through the DC3.5 female port.

Features

- 4 × USB 2.0 A female ports 480 Mbps max
- Current: 500 mA, Voltage: 5V (max)
- DC3.5 female power input 5V 2A max.
- With 10 m cable
- ABS Housing
- With LED indicator
- With USB A to DC 3.5 mm power cable
- No driver needed
- Support plug and play
- Support Power Delivery

Specifications

Input port	1 × USB 2.0 Male
	1 × DC 3.5 mm female power
Output port	4 × USB 2.0 A female
Operating Temperature	0 °C ~ 45 °C
Operating Humidity	10 % ~ 85 % RH (no condensation)
Storage Temperature	-20 °C ~ 70 °C
Storage Humidity	10 % ~ 85 % RH (no condensation)
System requirements	Windows 11/10/8/7,
	macOS 10.8 or higher

Packaging Contents

- 1 × main unit
- 1 × user manual
- 1 × USB A to DC 3.5 mm power cable

Compatibility

Support the common USB devices:

Keyboard

Mouse

Webcam

Hard drive

USB stick

Printer
