

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

Privacy Filter 39.6 cm / 15.6"

Article number: 4399520

Protect important data and documents from unauthorised, prying eyes.

This privacy screen helps to protect sensitive data and personal information, and in this way enables relaxed work while on business trips as well as in public places. Micro-slats darken the picture smoothly, without stripes and make it impossible for others to see texts or pictures on the display from the side. In addition, the film protects the display from dirt, scratches or fingerprints.

- Self-adhesive privacy screen
- Can be applied and removed repeatedly for 1.000 times
- Cutouts for camera and light sensor
- Anti-glare protection
- Privacy protection complete from a viewing angle of 60° degrees
- 73% UV protection, reduces eye strain caused by LCD monitors
- Work undisturbed on confidential data
- Time savings through productively used travel time
- Removal without any residue
- Protects against fingerprints and dirt
- Durable thanks to scratch protection up to 3H hardness
- Clear view and high colour fidelity at all times
- Unchanged quality of the image resolution
- Also available in other sizes and formats
