

Clamp / Tension Bracket

00201506 "Multi" Mobile Phone Bicycle Case, 360-degree Rotation, Universal, Water-repellent

Highlightstext:

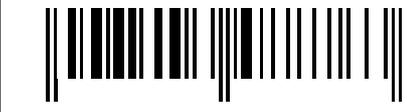

- Case for safe attachment to the handlebar stem of a bicycle or e-bike
- Optimised operability: a special film lets you operate the touch display in the case
- for portrait or landscape format: 360° swivel holder for optimised orientation of the smartphone
- One click: the bag can be removed from the holder with just one button press
- The bicycle mobile phone case is compatible with smartphone with a width of up to 8 cm and height up to 16 cm- The smartphone case can be mounted on handlebars with a maximum diameter of 4 cm- 2in1 smartphone holder and mobile phone case: practical for maximum protection and usability on the go- With you in all weathers: the smartphone is also ideally protected against splash water in the case made of hard-wearing, robust and dirt-repellent material- A panel shields the sunlight and improves the readability of the display; ideal when using your mobile phone as a satnav
- Additional compartments, e.g. for cash, charging cables, power banks and other utensils for life on the move- Side opening for a headphone or USB cable
- The phone can be turned as desired, e.g. for horizontal navigation on the smartphone- The case is attached without gluing or drilling, so it fits almost every bicycle and can be easily removed when needed
