

ScreenForce™

UltraGlass 2 Screen Protector

Up to 25x stronger than traditional glass[†], and featuring drop protection up to 7.2 feet, UltraGlass 2 screen protectors are our strongest and most durable yet.* They're engineered to look and feel just like your iPhone screen and protect against impact, scratches, cracks, smudges, fingerprints and more.

Product Benefits

- Our strongest, most durable screen protector yet
- Now up to 25x stronger than traditional glass[†]
- Up to 7.2 ft. of drop protection[‡]
- 9H Pencil Hardness rating[§]
- 0.29mm thin
- Flat, full-screen coverage^{**}
- Anti-fingerprint treatment keeps screen smudge-free
- Antimicrobial coating that prevents discoloration^{††}
- Precise and bubble-free application with Easy Align tray
- Lifetime Warranty (Americas), 2-Year Limited Warranty (rest of globe)
- 100% recycled plastic packaging*

Technical Specifications

- Lithium aluminosilicate (double-ion exchange)
- 9H Hardness
- Crystal clarity
- 2.5D edges, Apple case compatible
- 0.29mm thin
- Flat coverage
- Easy Align tray
- Anti-fingerprint coating
- Antimicrobial treatment

Package Includes

- ScreenForce UltraGlass 2 Screen Protector
- Easy Align tray
- Dust removal sticker
- Cleaning cloth

Compatibility

OVA157fq-REV: iPhone 17 + iPhone 16 Pro

OVA193: iPhone 17 Pro

OVA194: iPhone 17 Pro Max

ScreenForce™ UltraGlass 2 Screen Protector

The Belkin ScreenForce Family

Maximum protection concentrated into the thinnest possible element. ScreenForce is engineered to look and feel like the phone screen it protects, preserving clarity and touchscreen sensitivity for a barely there experience. Beneath the tactile, glass-like surface, this hard-hitting protector provides impact protection, scratch resistance and enhanced durability to deliver long-lasting, resilient screen protection.

The Belkin Difference

- Pioneer in innovation and technology for over 40 years
- Enhanced durability from multi-layer composition and impact protection
- Touchscreen sensitivity and a natural screen response

The Belkin ScreenForce Family Characteristics

- Provides impact protection by absorbing shock of impact to protect phone screen
- Multi-layer composition provides enhanced durability
- Tested using optometric standards to provide best-in-class crystal clarity
- Tested according to the pencil hardness test for superior scratch resistance
- Super-thin design protects without bulkiness
- Intelligent materials preserve touchscreen sensitivity
- Glass composition provides a tactile response that feels like the natural screen
- Precision-cut by machine to cover the maximum screen area for longer-lasting protection
- Anti-fingerprint coating repels dirt and smudges

OVA193fq, OVA193hq, OVA194fq, OVA194hq, OVA157fq-REV

*Recycled plastic components include Easy Align tray, support tray, top protective film and protective bags.
 *Based on third-party tests, screen protectors can withstand up to 25x more force on average compared to traditional glass.
 *Based on internal drop tests using marble, screen protectors survived a drop height up to 7.2 ft./2.2m.
 *Rated 9H against low-carbon steel at 5H, using the ASTM D3363 Film Hardness by Pencil Test Hardness.
 **Screen protector has been optimized for case compatibility and may not reach the edge of the iPhone screen.
 ***Based on third-party lab results conducted under the JIS Z 2801-2010 test standard. Contains a biocidal product: Dimethyloctadecyl [3-(trimethoxysilyl) propyl] ammonium chloride.
