ThinkPad L15 Gen 4 (AMD)

Powered by the AMD Ryzen 7 processors and Windows 11 PRO OS, the ThinkPad L15 Gen 4 (AMD) serves the evolving needs of modern businesses. Whether your daily work involves working on massive amount of data or complex design workflows, the up to 2TB storage and up to 64GB memory features will keep you ahead in the game. The device supports standard ports, including USB-C 3.2 Gen 1 that helps you project presentations and share reports during events and conferences.

LENOVO DEVICES THAT ARE A CLASS APART

REASONS TO BUY

The 15.6" FHD screen comes with an anti-glare surface, enabling you to view documents and websites that are perfectly scaled and optimized. The HD 1080p camera with fixed focus shows the best side of you whereas the Dolby Audio stereo speakers perfectly captures your voice during audio and video calls.

Integrated with AMD Radeon graphics, content creators, architects and engineers can easily curate AR/VR workflows, Auto CAD models, editing and multi-media applications without any interruption.

Minimal preloaded applications mean maximum battery life and responsiveness for users.

The mid-range ThinkPad L Series offers enterprise docking, enhanced security features and optional remote management capabilities.
