

## Office headset, hybrid

00139939 "BT-800" Bluetooth® Headset, Multipoint, Chg Station, Mono/Stereo, Wireless

### Highlightstext:

- Bluetooth headset with charging station for comfortable use in everyday business situations in the office and home office: hands-free telephony without restrictions and easy switching between mono or stereo mode
- For more freedom of movement: wireless headset for a tidy work space with hands-free calling and no cable spaghetti
- 1 headset, 2 devices: whether it be a PC, laptop, tablet or smartphone, with the office headset you can connect up to two devices simultaneously via Multipoint, saying goodbye to tedious plug switching
- Easily switch: for a focused meeting, use the stereo version with two earpads, while for a casual conversation where you also want to be aware of your environment, switch to mono mode by removing the right earpad
- Adjust the position to suit easily or switch sides: the microphone arm can swivel around 280°, making it suitable for left-handed and right-handed users
- Visible call: sitting down and chatting is no longer a thing as your colleagues will be able to see from the red LED that you are on a call
- Never miss a call again: thanks to a 30-hour battery life, you'll always be contactable
- For extra-long conversations: on-ear headphones with padded earpads and headband for the perfect fit, even if the conversation is a long one
- Easy to use: control call and smartphone functions via the multi-function button directly on the wireless headphones' earpads (e.g. take / make / reject calls / last number redial / music)
- Charge and store: the charging status LED indicates the charging progress and also serves as a holder for the Bluetooth headset when not in use to ensure a tidy workstation
- Energy saving made easy: with the separate On/Off switch, the Bluetooth headset with microphone only draws current when you need it
- Sustainable and practical: instead of tiresome battery changes, simply charge up the battery for the wireless headphones via USB-C
- Charge and call at the same time: when the battery is empty, simply plug in the cable and carry on using the business headset. That's how modern offices work nowadays
- Ideal meeting partner: the headset with microphone supports voice over IP, e.g. Skype, Teams, Zooms, YouTube, Office Calls, video conferences and more
- Always flexible: extra-long cable for more flexibility and freedom of movement and a straightforward connection of the wireless headset to the PC or notebook
- Thanks to the custom-adjustable headband, the Bluetooth headphones fit the shape of your head perfectly
- At just 145 g, the mono version of the wireless headset is a true lightweight and therefore offers especially high wearing comfort
- Adjust the volume directly on the earpad
- Mute button on the microphone arm of the multi-point headphones for immediate silencing of the microphone
- Reliable Bluetooth and 2.4 GHz radio technology with a range of 10 metres (depending on use and environmental conditions)
- Standby after 10 minutes of inactivity of the wireless headset
- The radio receiver connects the headset and laptop, etc. - simply Plug and Play

### System Requirements:

- Operating system: Windows 11/10, iOS/macOS/iPadOS, Android
- For Bluetooth on laptops or desktop PCs: existing Bluetooth function or receiver

### Technical characteristics:

- Colour: Black
- Design or Motive: No Design/Motif
- Shade of colour: Black
- Connection: USB-C-plug
- Connection: Bluetooth/Cable
- Bluetooth Version: 5.3
- Frequency Band: 2402-2480MHz
