

IPAD2N-UN20BLACK

NEWSTAR IPAD 2/3/4/AIR TABLET MOUNT

The IPAD2N-UN20BLACK is a universal iPad 2/3/4/Air tablet mount.

The NewStar anti-theft steel iPad enclosure, model IPAD2N-UN20BLACK is designed for securely displaying in the public. Width adjustable panel allows to install an Apple iPad 2/3/4/Air. The case is designed with home bottom covering, which can prevent public touch of Home Button.

The tablet mount is a universal tablet mount offering the tablet maximum functionality. This mount installs on any bracket using VESA75 or VESA100 hole pattern. Select a floor stand or ceiling-, desk- or wall mount and install the tablet bracket using the VESA holes.

In combination with floor stand, ceiling-, desk-, or wall mounts this universal bracket becomes a powerful tool allowing tilt, swivel, rotation, height and depth adjustment depending on the selected mount. With VESA75 or VESA100 hole pattern this bracket can be used with most mounts from different brands. Select the best solution for your needs and combine it with NewStars' tablet mount.

All installation material is included with the product.
