A little reminder? Use My Finder!

Verbatim's My Finder Coin is a tracking device that works exclusively with Apple's Find My App. Simply attach the My Finder Coin to any item that you need to keep track of and you can locate the item through the Find My App on your iPhone, iPad and MacBook.

Misplaced keys, bags and other valuables are a thing of the past with Verbatim's My Finder Coin Bluetooth tracker. Simply attach the versatile tag to the item you want to track and, when missing, use Apple Find My app to locate it on the map or to sound the buzzer if you think it is near you.

Within the app's Lost Mode, you can enter your contact details in the event that your missing item is located by someone else in the Apple Find My network.
