

N17 Keyed Lock for Dell Devices

Dell SKU 461-AAFD

The N17 Keyed Laptop Lock utilizes a unique lock engagement, creating a strong and reliable connection between the lock head and slot. The 5mm Keying System with anti-pick technology provides flexibility as part of Kensington's unparalleled robust custom keying solution for IT managers. A carbon steel cable deters cutting attempts and the pivot & rotate hinge diverts the cable away from other peripherals

Features

- Tough lock head that fits seamlessly into the latest Dell laptops and tablets with a non-standard lock slot
- Unique lock engagement creates the strongest connection between the lock head and slot
- 5mm Keying System featuring patented anti-pick Hidden Pin Technology is compatible for custom solutions across different styles of Kensington locks
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure
- Pivot and rotate cable provides superior laptop engagement
- Independently verified and tested for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, key strength and other environmental conditions
- Register & Retrieve™ program allows you to order replacement keys

NOTE:

- N17 lock only works with Dell 2017 Latitudes featuring wedge slot and is not suited for Dell displays, docking stations, projectors, desktops
