

Fan

00176595 Smart Free-Standing Fan, Temperature Measurement, 3 Speed Levels, 117 cm

Highlightstext:

- Multi-functional tower fan for cool air in summer, with voice and app control
- Whether it be Amazon Alexa or Google Assistant: Conveniently switch the fan on or off via voice control or select various speed levels
- 3 adjustable speed levels for a cooling effect with a light breeze or for cooling down on hot summer days
- The large and clear display shows the room temperature and settings selected via the touch panel
- The WiFi fan swivels around 80° for pleasant cooling at the dining table or the sofa
- Simple installation on your own WiFi network: since no hub is required, your devices can be set up in just a few minutes
- High compatibility: works with Amazon Alexa, Google Assistant, Amazon Echo Show and Google Nest Hub, iOS and Android. Can also be connected to all Alexa and Google Assistant-compatible smart home products from other manufacturers
- Manual, app-based and remote operation
- Different speed settings can be selected
- Various pre-set modes can be selected
- Thanks to the integrated timer, the floor fan switches off automatically after the set time
- Automatic swing option
- Standby mode to save energy
- Can be programmed at any time and from any location via the free app
- No risk of injury thanks to sturdy protective grille
- Voltage supply via enclosed cable
- Can be combined via the app with other smart Hama devices, e.g. the heating control
- Suitable for indoor use
- Your data is stored exclusively on German servers

System Requirements:

Operating system: Android 4.4 and iOS 8.0 or later

Note for Consumers:

Amazon Alexa:

the required Alexa skill "Hama Smart Home" must be activated in the Alexa app. The user account for the Hama Smart Home app is then connected to Alexa.

This allows the devices to be controlled via voice control (switching on/off).

Google Assistant:

the "Hama Smart Home" service must be activated in the Google Home app for this. The user account for the Hama Smart Home app is then connected to Google.

This allows the devices to be controlled via voice control (switching on/off).

Technical characteristics:

- Colour: Black
- Product Division: Home & Living
- Shade of colour: Titanium
- Signal Transmission: WiFi
- Compatible operating systems: Android 4.4/Apple iOS 8.0 or higher
- Control panel : Touch
- Frequency: 2.4 GHz
- Input Voltage Range from/to: 220-240 V
- Selectable modes: Child/Nature/Normal/Sleep

Fan

00176595 Smart Free-Standing Fan, Temperature Measurement, 3 Speed Levels, 117 cm

- Additional Functions: Modus Function, Speed Levels 1 – 3, Temperatur Display, Timer Function, Vibration Function
- Loudness: 52 dB
