

The ultimate travel companion

Dell EcoLoop Premier Backpack 14-16

A full-featured, premium quality backpack with comprehensive protection for your tech essentials, smart organization both inside and outside, and unparalleled comfort and style, designed to enhance your fast-paced corporate life and business travel

EcoLoop™

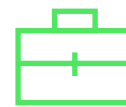

Designed with the environment in mind

- The backpack's exterior main fabric is made with 100% OceanCycle Certified® recycled oceanbound plastic and reusing approximately 19 plastic bottles¹
- Responsible dyeing process
- Comes in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag²

All-around protection

- 360° impact protection design using XPE foam cushioning and mesh bumper on top, for complete protection
- Anti-scratch Nylex brushed-lining inside to protect your devices from scratches
- Made from premium and water-resistant fabric, keeping both your backpack and the items inside dry and well protected against weather elements.

Bring your office anywhere

- Smart organization, multi-compartments and purpose-built organizers to keep all your essentials protected and effortlessly accessible during travel.
- Built-in features, including earbuds storage, luggage pass-through, convenient in-bag charging and lockable zipper pullers³ to complement your business travel needs
- The contoured padded back panel is shaped to provide lower-back support for all-day comfort

¹ Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.

² Based on internal analysis, July 2024

³ Lock is not included. Purchase separately.

Full protection for traveling professionals.

Responsibly designed with large capacity, multi-compartment storage, the Dell EcoLoop Premier Backpack keeps your essentials organized protected whenever your business takes you.

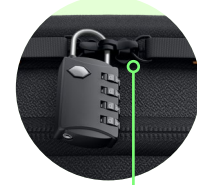

Carrying ease with S-shaped, padded shoulder straps and the contoured padded back panel

Navigate airports and train stations easily with luggage pass-through

Quick-access top zipper pocket with anti-scratch Nylex brushed-lining material

Features 360° impact protection and the dedicated laptop and tablet sleeve compartment are lined with anti-scratch Nylex brushed-lining material protecting your devices from scratches.

Lockable zipper pullers help secure the laptop compartment and keep your laptop safe. (Lock is not included. Purchase separately.)

Discreet bottom zipper pocket with magnetic flap closure for your other essential items

Conveniently charge your laptop in-bag with a portable battery charger (sold separately).

Stretch pocket on shoulder strap for Bluetooth® earbuds storage

Zippered front compartment and middle compartment with organizers for work accessories

Discreet valuables back panel zipper pocket

EcoLoop™

Proudly OceanCycle Certified®¹

The exterior main fabric is made with 100% OceanCycle Certified® ocean-bound plastic from approximately 19 recycled plastic bottles collected from ocean coastline or major waterways.² This durable, yet sustainable fabric helps reduce our environmental impact while still protecting your tech gear and essentials while on-the-go.

Made with a **solution dyeing process** that can have up to a **97%** lower impact on greenhouse gas emissions, **96%** lower water impact, and **98%** lower fossil fuel use per kg of material than traditional dye processes.³

The backpack ships in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag.⁴

Dell EcoLoop Premier Backpack 14-16 protects Dell laptops up to 16"

1 Only applicable on exterior main fabric.

2 Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.

3 These results were calculated using Higg MSI 3.8 available at app.worldly.io. They were calculated by Positive Scenarios Consulting, LLC and are not verified by Cascale or Worldly.
