The ultimate screen protection for tablets. PanzerGlass™ Edge-to-Edge tablet screen protector is made of flat tempered glass and covers the entire front surface of the device. The glass features a confidentiality filter, that protects the content of the display from both sides. An optimised full silicone adhesive gives the user perfect touch sensitivity.

PanzerGlass™ delivers ease of mind by providing industry leading screen protection for cell phones and tablets. At only 0,4 millimeters thick and meticulously engineered to compliment the design of your phone, PanzerGlass™ provides impact protection and scratch resistance second to none. Available to virtually every phone and tablet model currently on the market.
