

5in High Speed HDMI Adapter Cable - HDMI to HDMI Mini- F/M

StarTech ID: HDACFM5IN

The HDACFM5IN 5-inch HDMI® to HDMI Mini Cable adapter enables you to use a standard HDMI male-to-male cable to connect your portable HDMI Mini-enabled devices (e.g. digital camera) to most video displays.

With a Standard HDMI female connector (type A) on one end and an HDMI Mini (type C) male connector on the other, you can easily make this conversion and connect to computer monitors, HDTV or HDMI-capable projectors virtually everywhere you go.

The HDMI/HDMI Mini cable features high quality, gold-tipped connectors that ensure peak connectivity, and is backed by StarTech.com's Lifetime Warranty.

Applications

- Connect HDMI® Mini-enabled devices such as digital cameras to a High-Definition display or television, using a regular HDMI Male to Male cable.

Features

- HDMI® Mini-enabled Connector allows connection of portable HDMI-enabled devices to HDMI-capable displays or TVs
- High quality design and construction for optimum performance and portability
- All-in-one cable design for transmitting digital audio and video through a single cable
