- Halogen-free supply cable: low fire propagation, remains flexible even with frequent movement, minimized damage due to cable breakage
- Energy-saving: modern LED technology

- For wall & corner: Light column in the base can be optionally rotated by 45° during installation
- Homogeneous light emission and protection against dust: High-quality polycarbonate diffuser, easy to clean
- Protection class IP20
- Replacement of the light source and controller by a qualified electrician possible, replacement of the control gear possible
- Environmentally friendly recyclable packaging, free of plastic

Colour temperature per light source: 2.700 Kelvin (warm white) to 6.500 Kelvin (daylight white)
 Number of light sources: 1
 Energy efficiency class per light source: D (spectrum A to G)
 Weighted energy consumption per light source: 15 kWh/1000 h
 Service life L70B50 per light source: 50.000 h
 Useful luminous flux per light source: 2015 lm
 Base: base
 Material: Column: Aluminium - Foot: steel - Base: Bodenschoner aus Filz
 Dimensions: Height: 143,2 cm - Base: 16 x 16 cm
 Position of the switch: without switch
