

BoostCharge™ Pro Fast Wireless Charger for Apple Watch + Power Bank 10K

Power up with an on-the-go wireless charger for Apple Watch and iPhone. Leveraging the latest technology, our Fast Wireless Charger for Apple Watch + Power Bank 10K delivers safe wireless charging power to your Apple Watch without cables or needing to be connected to a power source. Our compact power bank is packed with 10,000mAh of charging potential – that’s enough additional battery for up to 36 hours for iPhone 14. It supports pass-through wireless charging for your Apple Watch when connected to a power source so you can stay connected while you give your power bank a power-up. Its USB-C® port delivers up to 20W of charging power to a wide variety of compatible devices.

The Belkin BoostCharge Family

A family of power products with fast charging in their DNA. Designed to integrate seamlessly to any environment to deliver fast, safe power at home, in the car or on the go. Smart circuitry detects the connected device to deliver optimal charging, while universal charging protocols such as USB-A, Lightning connectors and USB-C offer widespread compatibility.

BoostCharge™ Pro

Fast Wireless Charger for Apple Watch + Power Bank 10K

Product Benefits

- Fast charge compatible Apple Watch from 0-80% in 45 minutes*
- Overcharge protection protects your device for a safe and powerful charge
- 10,000mAh of power delivers up to 36 hours of video playback for iPhone 14†
- Has a compact and light design so it can go anywhere
- Allows pass-through charging so you can continue to wirelessly charge your Apple Watch when charging the power bank
- Its USB-C port delivers up to 20W of charging power to a wide variety of compatible devices
- LED battery indicator lights let you know when it's time to recharge
- CEW up to \$2500 for peace of mind

The Belkin BoostCharge Family Characteristics

- Faster charging than standard 5W
- Widespread compatibility
- Portability
- Smart circuitry detects connected devices to deliver optimal charging
- Certified by relevant bodies for compatibility (examples include USB-IF, MFi)
- Connected Equipment Warranty up to \$2500

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorously tested to ensure safe charging for users and their devices
- The trusted brand for third-party MagSafe chargers – Belkin is the #1 third-party seller of MagSafe chargers‡

SKU#: BPD005btBK, BPD005btBKTW

*Data based on internal lab testing. This power bank recharges Apple Watch Series 7 and Series 8 from 0-80% in 45 minutes. Actual results will vary depending on varying factors, including device age, model and usage environment, for individual users.

†Maximum additional battery hours calculated by comparing the cell capacity of this power bank with the maximum usage hours and video playback hours achievable by the iPhone 14 respectively under normal conditions. Actual results will vary depending on varying factors for individual users.

‡US only. Based on NPD data from October 2020-September 2021 for number of units sold for charging pad, charging stand/station, portable power pack and car mount charger products with MagSafe magnet included.

Use of the Made for Apple badge means that an accessory has been designed to connect specifically to the Apple product(s) identified in the badge, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with an Apple product may affect wireless performance.
