

Connect Everyday Keyboard Case with Cradle

Transform your iPad into a laptop for greater productivity. Our **Bluetooth®** keyboard pairs to your iPad to offer the ease of use of an external keyboard with the added defense of a protective cover. The premium vegan leather exterior protects your tablet from accidental drops and bumps while a soft anti-slip interior protects your screen from scratches. This case will hold your iPad in landscape mode and adjust to your preferred viewing angles — perfect for working, writing or watching videos. The compact design of the protective case and Bluetooth keyboard makes it easy to carry, allowing you to work anytime and anywhere.
