

Google Pixel 10 Pro and Pixel 10 Pro XL

Two Sizes, One Powerful Experience

High-level overview

Introducing Pixel 10 Pro and Pixel 10 Pro XL, the latest Pixel devices for business, available in two sizes to deliver the ultimate Pixel experience: smart, secure and productive. Engineered by Google to bring the best of Google AI to you and your team, these devices aim to provide a helpful and personal experience that helps improve workday productivity, with the pro-level specs including our best battery life¹, brightest screens² and multiple storage for whatever comes your way.

AI-driven productivity to help with your workday

Gemini, your AI assistant for all the ways you use Pixel

Experience Google AI with Gemini built right into Pixel 10 Pro and Pixel 10 Pro XL³. From the helpful Recorder app on-device⁴, to the versatile Gemini app for help with content creation, ideation and more, Pixel 10 Pro and Pixel 10 Pro XL help you accomplish work, fast.³

Do even more with Gemini Live

Now with Gemini Live⁵ you can talk to Gemini about anything you see, whether it's on your phone's screen or via its camera.⁶ Get help fixing a problem, explore a new environment, or discuss a photo, video or document to get the information you need.

Connect to other apps and services directly in Gemini

Gemini seamlessly connects with other apps like Calendar, Maps, Gmail, Docs, Sheets, Slides and Tasks. Pull schedules from Gmail, PDFs from Drive and content from Docs into the Gemini app without switching apps.⁶ Now you can also ask Gemini to use multiple apps in a single prompt. For example, if you're looking for a list of marketing campaign ideas, you can ask Gemini for some ideas and then easily save them to a note directly on Google Keep.⁷

Proactive help where you need it with Magic Cue⁸

Magic Cue on Pixel 10 Pro and Pixel 10 Pro XL brings a new level of intelligence and helpfulness to Pixel devices. This powerful suite of privacy-first capabilities learns from your digital habits and anticipates your needs by offering proactive help just when you need it. Magic Cue securely stores your information on your device and leverages the combined capabilities of Tensor G5 and Gemini Nano to proactively offer helpful information and actions, reducing the need for users to switch between apps to find what they need.⁸

Stay productive throughout the day with an all-day battery¹

Pixel 10 Pro and Pixel 10 Pro XL feature a battery that helps outlast the day. This allows you to stay productive throughout the day without worrying about running out of power. Pixel 10 Pro and Pixel 10 Pro XL last over 24+ hours, and up to 100 hours with Extreme Battery Saver.¹ Pixel 10 Pro charges to 55% in about 30 minutes, while Pixel 10 Pro XL charges to 70% in about 30 minutes.⁹ Both have Pixelsnap magnetic technology¹⁰ for effortless wireless charging¹⁰ that snaps into place.

Help keep your data safe, private and secure

Exceptional security with highly rated security features from the Pixel 9 series¹¹

The past four generations of Pixel have achieved the highest security rating, offering strong hardware and software protection for your sensitive data.¹¹ Pixel 10 Pro and Pixel 10 Pro XL include all the same great security features from the Pixel 9 series.

Stay up to date with seven years of security & OS updates¹²

With Pixel, your phone keeps getting better over time with seven years of OS and security updates, and new and upgraded features with Pixel Drops.¹² This helps extend the usefulness of your device as we introduce new AI features and security updates to keep your device feeling new.

User privacy prioritised and work data protected with Work Profile

Keep your personal and work data separate and secure with Android Work Profile. Enjoy peace of mind knowing your privacy is protected. An updated Work Scheduler lets you control when your Work Profile is active for better work/life balance.

The ultimate Pixel experience on Pixel 10 Pro and Pixel 10 Pro XL

Pro-level Performance

Experience lightning-fast performance and enhanced AI capabilities with the newest Google Tensor G5 processor, our latest device for the Pixel 10 range of phones, which are custom built with a TPU that's up to 60% more powerful and a CPU that's up to 25% faster to optimise Google's most advanced AI.^{1,13}

Premium Design & Durability

Crafted with premium materials, Pixel 10 Pro and Pixel 10 Pro XL feature a sleek, modern design that's built to last. Boasting a matte glass back and metal frame, your Pixel is ready for anything.¹⁴

New phone, new (super) screen

The vibrant Super Actua display means you can see everything on Pixel 10 Pro and Pixel 10 Pro XL with more clarity, at up to 3,300 nits peak brightness, and a variable refresh rate of between 1 and 120 Hz.^{2,15}

More storage and connectivity for whatever you need

Keep all your files and more close at hand with a base storage of 256 GB on Pixel 10 Pro XL, and Wi-Fi 7 on Pixel 10 Pro and Pixel 10 Pro XL for faster speeds and better connection.¹⁶

Tech specs

Display and Dimensions¹⁷

- (Pixel 10 Pro) 6.3-inch Super Actua display¹⁸
- (Pixel 10 Pro XL): 6.8-inch Super Actua display¹⁸
- 20:9 aspect ratio
- (Pixel 10 Pro) 1280 x 2856 LTPO OLED at 495 PPI
- (Pixel 10 Pro XL) 1344 x 2992 LTPO OLED at 486 PPI
- Smooth Display (1–120 Hz)¹⁵
- Corning® Gorilla® Glass Victus® 2 cover glass
- Up to 2,200 nits (HDR) and up to 3,300 nits (peak brightness)¹⁹
- >2,000,000:1 contrast ratio
- HDR support
- Full 24-bit depth for 16 million colours
- (Pixel 10 Pro) 6.0 height x 2.8 width x 0.3 depth (inches)
- (Pixel 10 Pro XL) 6.4 height x 3.0 width x 0.3 depth (inches)

Security and Authentication

- VPN by Google at no extra cost²³
- End-to-end security designed by Google
- Multi-layer hardware security: Tensor security core, certified Titan M2 security chip and Trusty (Trusted Execution Environment)
- Seven years of OS, security and Pixel Drop updates¹²
- Anti-malware and anti-phishing protection
- Fingerprint Unlock, Face Unlock, Pattern, PIN, password

Memory and Storage

- 16 GB RAM
- (Pixel 10 Pro) 128 GB / 256 GB / 512 GB / 1 TB with Zoned UFS¹⁶
- (Pixel 10 Pro XL) 256 GB / 512 GB / 1 TB with Zoned UFS¹⁶

Processor

- Google Tensor G5
- Titan M2 security coprocessor

Battery and Charging

- 24+ hour battery life¹
- Up to 100-hour battery life with Extreme Battery Saver¹
- (Pixel 10 Pro) Typical 4,870 mAh (minimum 4,707 mAh)²⁰
- (Pixel 10 Pro XL) Typical 5,200 mAh (minimum 5,079 mAh)²⁰
- (Pixel 10 Pro) Fast charging – up to 55% in about 30 minutes⁹ – using 30 W USB-C® PPS charger or higher, sold separately
- (Pixel 10 Pro XL) Fast charging – up to 70% in about 30 minutes⁹ – using 45 W USB-C® PPS charger or higher, sold separately
- (Pixel 10 Pro) Pixelsnap wireless charging (Qi2-certified) up to 15 W¹⁰
- (Pixel 10 Pro XL) Pixelsnap wireless charging (Qi2-certified) up to 25 W¹⁰

Sensors

- Proximity sensor
- Ambient light sensor
- Accelerometer
- Gyrometer
- Magnetometer
- Barometer
- Temperature sensor

Video

- Rear Camera: 8K video recording at 24/30 FPS (powered by Video Boost); 4K video recording at 24/30/60 FPS; 1080p video recording at 24/30/60 FPS
- Front Camera: 4K video recording at 24/30/60 FPS
- Features Include: improved stabilisation powered by Video Boost, Night Sight Video, Super Res Zoom Video up to 20x²¹, Audio Magic Eraser, Macro Focus Video, 10-bit HDR video, Cinematic Blur, Cinematic Pan, Slo-mo video support up to 240 FPS, 4K timelapse with stabilisation, Astrophotography timelapse, Night Sight timelapse, Optical image stabilisation for video, Fused video stabilisation, 1080p active video stabilisation, Locked video stabilisation (4K, 1080p)

Camera

- Rear Camera: Pro triple rear camera system: 50 MP wide | 48 MP ultrawide with Macro Focus | 48 MP 5x telephoto lens | Pro Res Zoom up to 100x²⁴ and optical quality at 0.5x, 1x, 2x, 5x, 10x | 50 MP Octa PD wide camera²⁴
- Front Camera: 42 MP Quad PD ultrawide camera with autofocus, *f*/2.2 aperture, 123° ultrawide field of view²⁴
- Features Include: Camera Coach²⁵, Add Me, Macro Focus, Night Sight, Face Unblur, Auto Unblur, Long Exposure, Action Pan, Real Tone, Panorama, Auto Best Take, Frequent Faces, Magic Eraser, Top Shot, Photo Unblur, Zoom Enhance, Portrait Light, Reimagine²⁶

Media and Audio

- Stereo speakers
- Three microphones
- Noise Suppression
- Spatial audio²²

Connectivity and Location

- Wi-Fi 7 (802.11be) with 2.4 GHz + 5 GHz + 6 GHz, 2x2 MIMO²⁷
- Bluetooth® v6 with dual antennas for enhanced quality and connection

Google Pixel

for Business

Disclaimers:

1. Battery life depends upon many factors, and usage of certain features will decrease battery life. Actual battery life may be lower. Over time, Pixel software will manage battery performance to help maintain battery health as your battery ages. See g.co/pixel/battery-tests and g.co/pixel/batteryhealth for details.
2. Compared to the display on Pixel 9 Pro. Peak brightness measured at 5% on-pixel ratio.
3. Available on select devices, and in select languages and countries. Works with compatible accounts, and some features may not be available based on corporate account settings. Internet connection required. Check responses for accuracy.
4. Available on select devices and in select languages and countries. Works with compatible accounts, and some features may not be available based on corporate account settings. Check responses for accuracy.
5. Results may vary. Check responses for accuracy. Compatible with certain features and accounts. Internet connection required. Available to users aged 18+.
6. Results for illustrative purposes and may vary. Check responses for accuracy. Compatible with certain features and accounts. Internet connection required. Available in select countries and languages, and to users aged 18+.
7. Internet connection required. Features may differ depending on subscription and account. Some apps require set-up. Available to users aged 18+.
8. Available in select countries and languages. Available to users aged 18+. Availability may vary by account and profile type.
9. Wired charging rates are based upon use of the Google 45 W USB-C® Charger plugged into a wall socket. Actual results may be slower. Adaptors sold separately. See g.co/pixel/battery-tests and g.co/pixel/batteryhealth for details.
10. Compatible with Pixel 10, Pixel 10 Pro and Pixel 10 Pro Fold for charging rates of up to 15 W, and a rate of up to 25 W for Pixel 10 Pro XL. See g.co/pixel/pixelsnap for more details.
11. Based on third-party global research firm evaluating Pixel 6 through Pixel 9. Evaluations considered features that may not be available in all countries. See goo.gle/mobilesecurity2021, goo.gle/mobilesecurity2022, goo.gle/mobilesecurity2023, and goo.gle/mobilesecurity2024 for more information.
12. Pixel updates for seven years from when the device first became available on the Google Store in the US. See g.co/pixel/updates for details.
13. Compared to Pixel 9 phone series.
14. Designed to comply with dust and water protection rating IP68 under IEC standard 60529 when each device leaves the factory, but the device is not waterproof or dustproof. The accessories are not water or dust resistant. Water resistance and dust resistance are not permanent conditions and will diminish or be lost over time due to normal wear and tear, device repair, disassembly or damage. Phone is not drop/tumble proof, and dropping your device may result in loss of water/dust resistance. Damage from drops, tumbles and other external forces is not covered under warranty. Liquid damage voids the warranty. See g.co/pixel/water for details.
15. Not available for all apps or content.
16. Storage specifications refer to capacity before formatting. Actual formatted capacity will be less.
17. Dimensions may vary by configuration and manufacturing process.
18. Screen has rounded corners. When measured diagonally as a rectangle, screen is 6.3 inches (for Pixel 10 and Pixel 10 Pro) and 6.8 inches (for Pixel 10 Pro XL). Actual viewable area is less. Dimensions may vary by configuration and manufacturing process.
19. HDR brightness measured at 100% on-pixel ratio. Peak brightness measured at 5% on-pixel ratio.
20. Estimate of typical capacity based upon testing and expected mobile behaviour.
21. Not available for all cameras, apps or modes.
22. Requires compatible app and earbuds/headphones (sold separately) and supported content. See g.co/pixel/spatialaudio.
23. Restrictions apply. Some data is not transmitted via VPN. Not available in all countries. Use of VPN may increase data costs depending on your plan. See g.co/pixel/vpn for details.
24. Reflects megapixels for camera sensor. Camera image resolution output may be less when using default settings.
25. Results may vary.
26. Results may vary. Available to users aged 18+.
27. 2.4 GHz, 5 GHz and 6 GHz available where permitted by local laws.
