

## Tripod

00004486 "Ramble II Duo Carbon" Tripod, 160 Ball, with Smartphone Holder

### Highlightstext:

- Camera tripod for blur-free photos and stability on uneven terrain, suitable for photo and video cameras
- Ball head with panorama function allows perfect orientation for recording in portrait and landscape
- Quick-release plate for quickly changing the camera
- Inverted position allows macrophotographs near the ground
- The spikes at the tripod feet ensure that a particularly firm and steady grip is maintained on soft or slippery surfaces
- In combination with a leg segment the removable central column can be used as a fully functioning monopod
- With the combination of the tripod and holder, take blur-free photographs with the smartphone- Extremely lightweight and sturdy carbon construction
- With rubber feet for secure stand
- Compact pack size of 45 cm thanks to foldable tripod legs- Tripod head: 3 integrated spirit levels- Quick release plate with rubber pad (Arca-Swiss compatible)- Telescoping central pillar with weight hooks for improved stability during windy conditions and on rough terrain- Tripod legs can be spread apart in increments (3 increments)- Non-slip foam grip on the tripod legs for use in all weathers- Functional screw clamps for fast and simple locking of the leg length in any position- Monopod, min. height 83 cm/max. height 170 cm- Replacement coupling plate item no. 00004463

Smartphone Holder:- Screw-connected 360° universal holder for devices without tripod socket- For attaching all smartphones to tripods with a 1/4" tripod connection- Extremely flexible, for a smartphone width from 5.8 - 8.8 cm (landscape format)- No more wobbly, skewed selfies- For selfies and videos, perfect for video diaries, blogs and ideal for travel and out and about- Cold shoe for attaching LED lights and microphones, for example- Folds to a compact size- Arca-Swiss compatible- Clamp spring holder and recess on the surface ensure a firm grip, while rubber protects the housing from scratches
