

Nokia 105 4G 2nd Edition

Quality that keeps you connected

A good chat can make someone's day. That's why Nokia 105 4G feature phone has 4G-supported HD calling and a long-lasting battery – everything you need for long, clear conversations. Plus, the zoom screen option and large keypad mean that it's intuitive and easy to use. It's staying in touch made simple.

A battery that lasts and lasts

The 1450 mAh¹ battery delivers hours of talk time so you'll always be ready for a chat.

Music on the go

The FM radio lets you tune in to local stations with or without a headset.

Hear and be heard

Call quality that makes you feel you're in the same room.

See and navigate easily

Clear IPS display and ease-of-use features.

Battery for days

Enjoy hours of talk time from a single charge.

Durable by design

Put through rigorous durability tests to ensure it holds up against the bumps of a busy lifestyle.
