

## Power Strip

00223189 Power Strip, 4-Way, USB-C/A 65 W, PD, Switch, 1.4 m, black/grey

### Highlightstext:

- High-quality multi-socket power strip for connecting up to seven electrical devices via four earthen contact sockets and three USB outputs with quick charging function, including for compatible laptops
- Charge a notebook via USB: With a powerful 65 Watts, the power strip with USB-C allows notebooks, laptops and Macs to be charged using Power Delivery - entirely without a separate power supply unit; a USB-C to USB-C charging cable is all that's needed
- With 1 USB-A socket and 2 USB-C sockets: ideal for all devices that are charged and operated via USB, e.g. tablets, smartphones, power packs and consoles – thanks to superlative performance even laptops and notebooks
- Fast charging with the USB socket: Supports Power Delivery and Fast Charge technology, which guarantees extremely fast charging, faster than with conventional charging technologies
- 7 slots for full power - all at the same time: With the multi-way socket strip with USB and earthen contact sockets, you no longer have to choose and can charge your smartphone, tablet and headset even while your laptop, printer, desk lamp and monitor are in use
- Guaranteed maximum charging speed for all mobile devices: the 3 USB sockets ensure an output power optimised to the device
- Work at home or on the road: The 7-way socket strip guarantees optimised charging, protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.
- Multi, fast, efficient: The multi-way sockets automatically recognise connected devices and charge them optimally on all available sockets
- High-quality workmanship that shows: With its attractive design, the 4-way power strip cuts a fine figure on the desk and is easy to use
- 4 earthen contact sockets for all eventualities: The multi-way socket strip has increased contact protection to prevent accidental contact
- Practical multi-way socket with switch: The manual switch makes it easy to cut off the power supply, e.g. at the end of the work day or even if the wall socket is in hard-to-reach places such as behind cabinets or under the table
- Practical multiple socket with switch: two-pole on/off switch, ideal for switching off unneeded and stand-by appliances - easily save energy- Manual switch with LED lighting: discreet LED function display in orange without glaring lights- Long-lasting and robust: special strain relief and kink protection on the plug and power strip protect against cable breakage- Socket inserts of the multi-socket power strip rotated by 45° so that one multi-socket strip with USB charging sockets is sufficient in the home office- Universal power strip for PC workstations in the office and home office: The multi-plug power strip belongs in every study with computer peripherals, perfect in work corners in the living room or when travelling, for mobile working, charging several devices on the go, etc.- Thanks to its compact form and diverse connection options, the multi-socket outlet is also ideal for living rooms and home cinemas, from TVs to Blu-ray players to hi-fi systems- Mobile phone charging via USB-C: universal charging technology is suitable for mobile devices and smartphones from all popular manufacturers, including Samsung, Apple iPhone, Xiaomi and Huawei- Optimised charging with Power Delivery: charging via USB PD 3.0 is ideally adapted to factors such as charging status, short-circuit protection and battery temperature

### Note for Consumers:

Please check the product information or operating manual of your device or contact the manufacturer to see whether your device supports PD (Power Delivery).

### Technical characteristics:

- Colour: Black
- Shade of colour: Black, Grey
- Connection: Socket with Earth Contact, USB-C-Connector, USB-Typ-A-Coupling
- Number of USB Ports: 3
- Mains Specification: 16 A
- Maximum Connected Load: 3680 W
- Operating Voltage: 250 V
- Type of Cable: H05VV-F3G1,5
- Function: Switch
- Material: Plastic Material
- Number of Sockets: 4

## Power Strip

00223189 Power Strip, 4-Way, USB-C/A 65 W, PD, Switch, 1.4 m, black/grey

- Number of Wires: 3
- Cable Length: 1.4 m
- Width x Depth x Height: 5.3 x 4 x 30.5 cm
- Wire Cross-Section: 1.5 mm<sup>2</sup>
- Charging Current: 3250 mA

Delivery:

- 1 power strip- 1 operating manual
