

## LED floor lamp MAULsenja colour vario sensor, dimmable

- **High-quality, powerful aluminium design lamp with modern light management**
- **Constant light control via movement and daylight sensors**
- **Colour temperature and intensity infinitely adjustable**
- **For double workstations & full-surface lighting thanks to extra-large lamp head**
- **Separately controllable: Beam direction 80 % upwards (indirect room lighting) and 20 % downwards (direct light for work surface)**
- **Very economical: State of the art LED technology**
- **GS label for checked safety, technical safety concept Made by MAUL**
- Designed by MAUL: Developed and constructed in Germany
- Movement sensor: Dims the light automatically after 30 minutes without sensing movement, turns off after a further 30 minutes without sensing movement
- Daylight sensor: The light output of the lamp changes depending on the indoor illuminance level
- Reduced glare to UGR <16 for fatigue-proof vision
- Head and column made from high-quality aluminium
- Long lamp head: Protrudes 80 cm over the desk
- Practical: detachable mains cable makes it easier to set up the device
- Protection rating IP20
- Light source and operating device replaceable by an electrician
- Environmentally friendly recyclable packaging, free of plastic

Illuminance of the : 940 lux illuminance at 85 cm distance, 580 lux illuminance at 110 cm distance  
 Colour temperature per light source: 2.700 Kelvin (warm white) to 5.700 Kelvin (daylight white)  
 Number of light sources: 2  
 Energy efficiency class per light source: indirect: C (spectrum A to G) & direct: D (spectrum A to G)  
 Weighted energy consumption per light source: 87 kWh/1000 h (69 kWh/1000 h & 18 kWh/1000 h)  
 Service life L70B50 per light source: 50.000 h  
 Useful luminous flux per light source: 15150 lm (12500 lm & 2650 lm)  
 Material: Head: Aluminium - Column: Aluminium  
 Dimensions: Head: 85.5 x 24 x 3.1 cm - Column: 4.3 x 5.2 x 193 cm  
 Movement: Head: fixed  
 Position of the switch: Column

- Stable, solid steel base, 27 x 45.5 cm. Does not get in the way: the cut-out footplate can be positioned around a table leg.  
Height: 196 cm
- Guarantee: 2 years
