

Active Stylus Premium

Universal input pen for the high-precision operation of touch devices.

Smartphones, tablets and convertibles are part of our daily lives, both for business and leisure. With the DICOTA Stylus Premium you can operate your touchscreen even more precisely and hence increase your mobile efficiency. Universally compatible with Apple iPad and many other devices. The slim and lightweight input pen fits nicely in your hand while the grip surface gives optimum hold. Follow your intuition and operate touch applications with familiar movements. Writing, drawing and navigating with highest precision. At the same time you prevent from disturbing fingerprints on your screen.

Specifications
