LATITUDE 7400 2-in-1

Work at full speed

THE ONLY PC THAT SENSES YOUR PRESENCE

Introducing ExpressSign-In, with a sensor that detects your presence and automatically wakes your system. Coupled with the IR camera and Windows Hello, instantly log in to your system without lifting a finger.

STUNNINGLY SMALL DESIGN

With the world's smallest commercial 14" 2-in-1*, stay fully productive on an expansive screen. The innovative drop-hinge design allows for a more seamless viewing experience with a 4-sided narrow border FHD display. Weighing less than 3lbs, this ultra portable 2-in-1 is crafted from machined aluminum and has diamond cut edges.

UNPARALLELED PRODUCTIVITY

Experience faster mobile broadband speeds with our Cat 16 Gigabit LTE option to keep you connected around the globe. The latest 8th Generation Intel® up to i7 4-Core™ vPro™ Processors increase productivity, manageability, and security for your business. With up to 26-hour battery life**, Dell's innovative Super Low Power Panel and ExpressCharge, you can charge faster and stay charged over multiple work days. And intelligent thermal responsiveness adjusts to the way you work, keeping your system cooler on your lap.

INTELLIGENT MANAGEMENT

Dell provides the ultimate convenience of managing Windows 10 endpoints from one console with Dell Client Command Suite and VMware® Workspace ONE™ integration. Offering many ways to seamlessly sign on, SafeID protects end user credentials with optional fingerprint reader on the power button and the FIPS 201 Smart Card Reader, delivering fast, multi-factor authentication you've come to expect from the world's most secure PC portfolio. Dell unique vPro extensions can remotely manage and run diagnostics on a fleet of devices, whether they are powered on or off.

Recommended Accessories

LATITUDE 7400 2-IN-1

ON-THE-GO

**DELL PREMIUM
ACTIVE PEN | PN579X**

The Dell Active Pen allows you to easily take notes and stay organized.

DELL PREMIER SLEEVE 14 | PE1420V

The Dell Premier Sleeve allows you to protect and take your laptop with its accessories wherever your busy day takes you.

**DELL NOTEBOOK POWER
BANK PLUS USB C,
65 WH | PW7018LC**

With fast, high power delivery of up to 65Wh, this power bank can charge the widest range of USB-C laptops, and mobile devices.

**DELL PREMIER WIRELESS
MOUSE | WM527**

Enhance daily performance and productivity with this elegantly designed mouse.

DELL USB-C MOBILE ADAPTER | DA300

Connect your Latitude to almost any device with a convenient 6-in-1 compact adapter.

AT THE DESK

**DELL THUNDERBOLT
DOCK | WD19TB**

Work at full speed with Dell's powerful Thunderbolt Dock. Charge your system faster, support up to three 4K displays and connect to your peripherals via a single cable.

* (April 2019) Dell Thunderbolt Dock WD19TB is to be used with Thunderbolt-compatible systems. Dell Dock WD19 can be used with with non-Thunderbolt systems.

**DELL ULTRASHARP 27
MONITOR | U2719D**

See fine details and true-to-life color on this 27" QHD monitor with virtually borderless infinityedge screen, packaged in a sleek, space saving design.

**DELL PREMIER WIRELESS
KEYBOARD AND MOUSE | KM717**

Enhance daily performance and productivity with this wireless keyboard and mouse, which features an elegant design that will fit into almost any workspace.

**DELL DUAL MONITOR
STAND | MDS19**

This space-saving stand, mounts up to two 27-inch monitors, providing the screen real estate you need to be most productive.

**DELL PRO STEREO
HEADSET | UC350**

Hear every word clearly on your next call with the Dell Pro Stereo Headset, optimized to provide in-person call quality and certified for Microsoft Skype for Business.

Built for business

Dell Technologies Unified Workspace

Dell Technologies Unified Workspace is the most comprehensive solution to deploy, secure, manage and support virtually all devices from the cloud. We designed this revolutionary solution with intelligence and automation providing you with visibility across the entire endpoint environment. We help you save time, improve user experience, optimize resources and strenthen security.

DEPLOY

Our modern deployment solution, ProDeploy in the Unified Workspace allows you to revolutionize the way deployment gets done. By spending just one hour for set up, IT can then hand deployment to Dell and have preconfigured systems shipped directly to the end users--wherever they are.

SECURE

Dell Endpoint Security for the Unified Workspace helps you manage growing cyber risks while embracing workforce transformation. With Dell SafeGuard and Response powered by Secureworks, you gain actionable insight to help you quickly and efficiently prevent, detect and respond to cyber-attacks - keeping your environment free from harm.

MANAGE

We integrated our hardware management solution Dell Client Command Suite with VMware Workspace ONE, allowing you to take advantage of unified endpoint management (UEM) and manage the firmware, operating system and applications for all devices from the Workspace ONE console. UEM simplifies the management of the entire environment saving IT time from having to work between separate consoles for PCs and phones.

SUPPORT

ProSupport Plus continues to be the only predictive and proactive support in the market. When compared to key competitors, ProSupport Plus with SupportAssist reduced time to resolve a failed hard drive with up to 11x faster time to resolution*

*Based on a Principled Technologies test report, "Spend Less Time and Effort Troubleshooting Laptop Hardware Failures" dated April 2018. Testing ommissioned by Dell, conducted in the United States. Actual results will vary. Full report: http://facts.pt/L52XKM

Features & Technical Specifications

LATITUDE 7400 2-IN-1

Feature	Technical Specifications
Model Number	7400 2-in-1
Processor[1]	8th Gen Intel® Core™ Processors 4-Core
Operating System[1]	Microsoft® Windows 10 Pro 64 bit Mircosoft® Windows 10 Home 64 bit
Memory Options[1,2,3]	LPDDR3 SDRAM 2133MHz (on board)
Chipset[1]	Integrated with the Processor
Intel Responsiveness Technologies[1,7]	Intel® Rapid Storage Technology
Graphics[1,13]	Intel® UHD Graphics 620
Display[1]	14" 16:9 FHD (1920x1080) WVA Touch, Anti-reflective and Anti-Smudge, Corning® Gorilla Glass® 5, Super Low Power, 300 nits, Active Pen Support
