## Key features:

Feel more connected to the people and things you love with Nokia 1.4. The 6.51" HD+ screen is perfect for learning and playtime with the kids, and it's easy to capture beautiful photos with the versatile Camera Go app. Like family, this is a phone you can count on – featuring a two-day battery life <sup>1</sup>, Qualcomm® chipset and fingerprint sensor.

### Big time quality.

There's room for both learning and playtime with the beautiful 6.51" HD+ edge-to-edge screen. Now everyone in the family can do more of what they love – from browsing to gaming with built-in parental controls.

### Photos you'll want to frame.

Your best memories just got sharper. The Camera Go app lets you capture beautiful photos with Portrait mode, as well as brightly detailed images around the clock with Night mode. Plus, stop worrying about space with helpful storage indicators so you never miss a shot – including great selfies with the 5MP front-facing camera.

### Focus on what you love.

Feel closer to everything and everyone with the built-in macro camera for incredibly detailed shots.

### There for every milestone.

With a durable design that sits securely in any hand, you can have the kids borrow your phone anytime. Plus, it's built for reliability with robust technology like the Qualcomm chipset and fingerprint sensor.

### Let the good times last.

Generous two-day battery power means you'll have more time for the things that matter.

### Ready. Set. Android Go.

Expect a faster, more secure way of doing things with the Android™ 10 (Go edition). Plus, you've got Android 11 (Go edition) to look forward to – so you can stay connected to the conversations that matter for longer.
