Version 1.0 | March 2022

Intel® vPro® Essentials with Intel® Core™ i5

www.lenovo.com

IMPRESSIVE PERFORMANCE. DELIGHTFUL USER EXPERIENCE.

Built for teams that like to deliver results through effortless collaboration, the Lenovo ThinkBook 14 Gen 4 *i* delivers the performance they desire, and intelligent, power-packed features that ease working together—at office or remotely.

OPTIMIZED PRODUCTIVITY

Powered by the Latest Gen Processor: the latest in computing technology, AI-enhanced 12th Gen Intel® Core™ i7 Processor with Intel® vPro® Essentials¹ is built on hybrid architecture that helps you get the most out of your device.

Highly Responsive: dual M.2 Gen 4 SSD² storage along with discrete NVIDIA® MX550 graphics² provides a large storage capacity for heavy files, quicker load times, and improved overall system performance to get more done.

Empower your business: business productivity, collaboration, security, and manageability work better with Intel® vPro® Essentials.¹ Work faster online with network traffic optimized for vital tasks. Built-in hardware-level security protects against cybersecurity threats straight out of the box. It supports remote manageability with cloud-based updates and streamlines IT solutions.

Cool Under Pressure: not just pretty, with Intelligent Cooling, it runs smooth as well. It adjusts the system output with a balance of fan speed, thermal performance, and battery life so you can run demanding tasks without throttling.

SMART FEATURES WITH STUNNING DISPLAY

Marvelous Display: Lenovo ThinkBook 14 Gen 4 *i* features an exceptional Full-HD IPS panel display and 100% sRGB² color gamut for vivid images. Navigate between apps and multitask in your unique way on a touchscreen² display. TÜV Rheinland Low Blue Light certification,³ along with Eye Care mode and Flicker Free Brightness Control by DC filters out harmful blue light for comfortable viewing.

Multitude of Port Options: today, the nature of work is flexible, and employees need many devices for different tasks. Expand your Lenovo ThinkBook 14 Gen 4 *i* without hassle via its variety of port options, including Thunderbolt™ 4, HDMI, and RJ45.

Modern Standby: in Modern Standby mode, always stay connected to the internet and get all your updates instantly, including Skype calls, emails, and IMs.

Intel® Wi-Fi 6E²: the fastest Wi-Fi yet boosts wireless performance so you can stay productive with stable network connectivity, lower latency, greater bandwidth, and significantly faster speeds.

Smart AI features: work distraction-free with AI-based noise-cancelling technology that minimizes ambient noise during meetings. You can pick between Private, Shared, or Environmental modes for enhanced conferencing, anytime, anywhere.

Intel® vPro® Essentials with Intel® Core™ i5

PORTABLE AND PREMIUM DESIGN

Dual-tone Top Cover: this next-gen Lenovo ThinkBook is bold in performance and design. A dual-tone Mineral Grey top cover makes every impression you make a good one.

Metal Exterior: top and bottom covers made of aluminum add robust build quality and the feel of a superior notebook.

Mobile Build: when you are moving around the office or working remotely, slim and lightweight devices earn their worth. Lenovo ThinkBook 14 Gen 4 *i* is only 17.9mm thick and weighs just 1.4kg, so you are always ready to get up and go.

4-side Narrow Bezels: enjoy impressive visual details on your notebook that has 5mm-thin bezels and an 85% screen-to-body ratio, giving your display a clean look.

BUSINESS-GRADE SECURITY

Smart Power On: a Touch Fingerprint Reader integrated on the power button lets you power on and log in with just a touch while preventing unauthorized access to your system.

All-round Security: Lenovo ThinkBook 14 Gen 4 *i* always keeps your data and device safe. Hardware and firmware features like fTPM, and Kensington™ NanoSaver™ lock slot let you minimize breaches and downtime.

Protect Your Privacy: maintain camera privacy with a simple flick of the finger. Slide the Camera Privacy Shutter closed when the camera is not in use.

RECOMMENDED ACCESSORIES

LENOVO GO WIRED ANC HEADSET

PN: 4XD1C99223

The Lenovo Go Wired ANC Headset with Teams Certification is designed to reduce ambient noise and maintain productivity while on the go. While enjoying the superior sound, it also features ENC microphone designed for crisp intelligibility with ENC noise cancellation.

THINKBOOK BLUETOOTH SILENT MOUSE

PN: 4Y50X88824

The ThinkBook Bluetooth Silent Mouse is sculpted to be comfortable to rest your palm on, with a low-profile & minimalist design, effortlessly pairing with up to two devices at once, quickly switching between them with the push of a button, thanks to Bluetooth 5.0 and Microsoft Swift Pair technology.

LENOVO BUSINESS CASUAL 15.6-INCH BACKPACK

PN: 4X40X54258

Lenovo Business Casual Line is made of durable and water-resistant polyester with a fairly light weight. Fully padded PC compartment provides great protection to your devices. Reserved charging opening is for easy charge on-the-go. Square in shape and low-key in color make it suitable for both formal occasions and casual parties.

SERVICES AND SUPPORT: ALL-ROUND CARE FOR YOUR LENOVO THINKBOOK 14 GEN 4 IAP

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

WARRANTY UPGRADES

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.¹

WARRANTY EXTENSIONS

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.¹

ACCIDENTAL DAMAGE PROTECTION

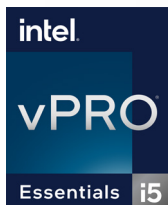

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.^{1,2}
