

Convenient, compact and clutter-free.

DELL MICRO FORM FACTOR ALL-IN-ONE STAND – MFS18

Compact and secure stand offers a clean workspace

The new Dell Micro Form Factor All-in-One Stand - MFS18 provides space saving, clutter-free aesthetics with ultimate display configurability and flexibility.

Maximize your desk space with the Dell Micro Form Factor All-in-One Stand which houses a Micro desktop and monitor in a small footprint. The stand is fully adjustable, allowing you to customize your monitor to your viewing comfort. It supports 19" to 27" Dell UltraSharp and P models with Dell Quick Release and E model VESA compliant monitors.

Clutter-free design

Neatly manage cables by routing them through the cable slots on the stand. The meshed cable cover hides cables from view, keeping your desk space clean and tidy.

Fully adjustable for convenient, flexible viewing options

The stand is height adjustable so you can raise it to your ideal level. Tilt, swivel 45° left or right, and pivot your monitor 90° clockwise and counter-clockwise to suit your viewing comfort.

Easy transport with the retractable telescopic handle

Carry the Micro desktop, stand, and monitor to the next meeting or conference room with the retractable telescopic handle.

Kensington lock and padlock slots for added security and reliability

Conveniently secure the stand to its Micro chassis with the Kensington lock slot and/or padlock slot. The meshed cable cover hides cables from view and prevents them from getting dislodged.

Shown with monitor and Micro desktop (not included).

Adjustable and flexible

Raise or lower, tilt, swivel or pivot to your viewing comfort.

Compact and clutter-free

Manage cables and keep them hidden behind a compact footprint.

Security

Two locking options fasten the Micro chassis and cable cover together for added security.
