

Audio headset, Bluetooth

00184181 "Spirit Calm" Bluetooth® Headphones, TWS, In-Ear, Sleep Headph., white/grey

Highlightstext:

- Convenient, wireless mini-Bluetooth headphones with high wearing comfort - ideal for falling asleep, meditating and enjoying podcasts or music
- Reduced to the only thing that matters: comfortable in-ear headphones without tangling cables for even more freedom
- For a restful sleep: extra-small and lightweight in-ear headphones for sleeping and relaxing - simply put them in your ear without any uncomfortable pressure
- Ear hook for a secure fit in the ears: the wireless in-ear headphones do not slip and fall out, even if you move around a lot while sleeping
- The perfect fit for your ear: the Bluetooth headphones with their in-ear design and silicone ear tip fit securely and comfortably in any ear
- The ideal fit for every ear: the two silicone attachments in two sizes make the earplugs suitable for larger and smaller ears
- Touch control: the touch sensor allows intuitive operation without having to take your mobile phone out of your pocket, e.g. music playback (Play/Pause), take/make/reject calls
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Mobile charging box: fully charge the batteries from the Bluetooth headphones up to 2.5 times while out and about - the LED display on the case warns when the battery is low
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Pleasant headphones even for side-sleepers: the small, extra-lightweight earphones remain comfortable even with prolonged wearing and do not press on the ears, e.g. when lying down
- Music time / talk time: 4h/3h with fully charged earbuds, 14h with recharging in the charger tray
- With USB-C charging box: this means that the earbuds can be charged up to 2.5x while out and about - thanks to the integrated rechargeable battery without external power supply
- Integrated telephony function with call pick-up and microphone for smartphones
- Remote function for controlling music (Pause/Play/Forward/Rewind), if supported by the telephone
- Always informed: the LED display on the charging case indicates whether the headphones are fully charged, are currently charging or the battery level is low

Technical characteristics:

- Colour: Beige/White
- Line: Spirit
- Shade of colour: Cream/White
- Bluetooth Class: Class 2
- Bluetooth Version: 5.3
- Frequency Band: 2402-2480MHz
