Booklet Case

00137029 "Eco Premium" Mobile Phone Bag for Samsung Galaxy A35 5G, black

Highlightstext:

- Totally on trend: mobile phone case with card compartment for an elegant look made of fine faux leather with metal elements for the Samsung Galaxy A35 5G

- All-round robust mobile phone case: elegant combination of high-quality imitation leather and sturdy metal elements for long-lasting mobile phone protection

- Sustainable and resource sparing: made from 20% recycled materials - good for you and good for the environment

- Extra strong additional protection: the raised edges made of noble metal in the mobile phone case back provide reliable protection for the protruding camera lenses without affecting the quality of the photos

- Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected

- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point

- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener

- Fingerprint-resistant surface: the high-quality faux leather of the mobile phone flip cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean

- Mobile phone case with wallet function: thanks to the slide-out opening on the card compartment in the mobile phone case, ID cards, banknotes, etc. can be removed quickly and easily - always at hand without searching

- Stand-up mobile phone case: stand function for convenient positioning of the smartphone for watching videos in landscape format

- Soft all over: super-soft inner lining to protect the sensitive display, on the sides and the back of the smartphone
- Non-slip, scratch-resistant faux leather does not slide easily out of the hand, off the table or other surfaces

- Flexibility: easy to attach to your smartphone

Note for Consumers:

With some smartphone models, the fastening magnets can interfere with individual functions.
