

WHAT IS OTTERBOX CERTIFIED DROP+ PROTECTION?

At OtterBox, we have a team of engineers who are passionate about crafting great products.

Our tireless development and design efforts have resulted in **300+ patents**. We test each design and material to make sure the products you need stand up to your daily life. Each design goes through a minimum of **238+ hours of testing** across **24+ different tests**.

TESTED BY US.

Our certification seal shows that every product we make is backed by OtterBox-tested protection you can trust.
