ARTICONA GRS Backpack 35.8cm/14.1"

Article number: 4665866

High-quality, compact backpack that impresses with its functionality, lightness, and modern, discreet design.

The bag is made of recycled outer material.

Its stable shape with a reinforced underside and the ergonomic design of the handle, padding and shoulder straps enables practical use and easy handling with a high level of carrying comfort. Thanks to its well thought-out, space-saving, and wide-opening compartment design, the backpack allows you to store a notebook (up to 35.8 cm/ 14.1 inches), a tablet, documents, and various accessories in an orderly manner and always ready at hand.

The outer material can be easily cleaned by wiping with a damp cloth if it has become slightly dirty due to external influences.

The water-repellent outer material effectively protects against water, so that the backpack is a reliable everyday companion even in the rain.

- Recycled main material (outer material), water repellent
- High-quality double zips on the main compartments including eyelets for a security lock
- Padded, adjustable shoulder straps, ergonomic carrying handle and breathable back padding
- Side mesh pockets for bottles or umbrellas
- Includes the option to attach inventory stickers
- With a trolley strap, ideal for travelling
