

BOOST↑CHARGE™

Wireless Charging Dual Pads 15W

Fast wireless charging up to 15W for two devices at the same time. From living room to office, it's a perfect solution for a quick power boost when you have more than one phone or want to charge your phone and wireless earbuds at the same time. Universal compatibility keeps everyone happy with fast wireless charging for Android™ and iOS. Case compatibility, foreign object detection, and a non-slip surface provide a seamless wireless charging experience that is truly effortless for everyone.

Product Benefits

- Dual 15W pads allow you to charge two devices at the same time, so it's perfect for shared rooms or charging your phone and wireless earbuds like AirPods at the same time.
- Spend less time charging with optimized fast wireless charging for Samsung and iPhone.
- Just lay your phone onto the pad and go for a charge, no fumbling with cables.
- Case compatibility simplifies charging with no need to remove lightweight plastic cases up to 3mm.
- Qi™ certified so you are always getting a safe and compatible charge.
- An extended 2-year warranty provides peace of mind.
- You'll always know charging status with an LED light and foreign object detection.
- Non-slip surface helps keep your phone in place and safely charging.
- Included charging cable and wall charger provide consistent and optimal power to the wireless charging pads right out of the box.
