

HP Color LaserJet Smart Print Cartridges for the 5500/5550 printer series

Consistently outstanding colour print quality.

- Accurate colour, precise image reproduction and crisp, sharp text every time you print. Chemically-grown toner formulas and HP Smart Printing System Technology* deliver consistent results and reliable performance throughout the life of the cartridge.

Reliability saves time and increases productivity.

- Save time with all-in-one HP Color LaserJet Supplies. HP Smart Technology* makes automatic adjustments to optimize print quality and enhance reliability. Minimal user intervention saves time, improves productivity and lowers overall printing costs.

Easy to install and maintain.

- Enjoy low maintenance, trouble-free printing. HP Smart Technology* in the print cartridge and your printer makes HP Supplies easy to install and maintain. Receive automatic alerts when a cartridge is low or out.

Target audience

- Ideal for workgroups in offices and creatives who use HP Color LaserJet Printers for handouts, presentations, CAD, flyers and brochures and therefore need affordable, high quality and high performance A3 colour printing.

Get the best results out of your HP Printing System. HP Smart Technology* and chemically-grown toner formulas in HP Color LaserJet Print Cartridges work with your printer to deliver accurate, consistent colour and reliable, cost-effective performance.

HP Color LaserJet Smart Print Cartridges for the 5500/5550 printer series

Improved electro-photographic process

HP Smart Printing Technology guarantees consistently high-quality results through an improved electro-photographic process that detects environmental printing conditions such as temperature and humidity. Customers do not need to change their print settings as the print cartridges electro-photographic voltage is automatically adapted to consistently deliver excellent printing results, even in extreme climate conditions.
