\* Skype for Business Certification applies when USB/USB-C is connected to PC or Mac

\*\* USB-C connectivity is optimized for use with PC and Mac. When USB-C is connected to smartphone or tablet performance is device dependent.

\*\*\* For phones/tablets with 3.5 mm connector. Compatible with other connection types when adaptor is used.  
USB and USB-C controller cable available as accessory

\*\*\*\* The Microsoft Teams certified products in the IMPACT 600 Series require installation of EPOS Connect – download the software from our website:
