

Logitech® Speakers S150

PC Speakers

Logitech® Speakers S150 delivers digital audio – without the need for a bulky external power supply – so that you can enjoy your music, movies and video calls in pure stereo sound instantly. Just connect the USB plug to your laptop and you're ready to go. Volume and power controls are conveniently placed and easy to use. When you're on the move, the travel case protects your speakers inside your bag or briefcase.
