ARTICONA 33.8/13.3" Magnetic Privacy Filter

Article number: 4923142

In today's world, where data protection and privacy in the workplace are more important than ever, ARTICONA provides a smart and stylish solution: the magnetic privacy filter for 13.3" screens. This high-quality filter attaches effortlessly to your notebook screen using the included magnetic strips.

Whether in the office or on the go, your sensitive information stays protected from prying eyes. A cleaning cloth is included to help keep your screen spotless and free from dust and smudges. The included installation guide walks you through the simple setup process step by step, making it easy to safeguard your data. Advanced micro-louvre technology ensures seamless, streak-free darkening of the screen, effectively blocking side views of your content.

Additionally, the filter helps protect your display from dust, scratches, and fingerprint marks.

Highlights:

- Top quality
- Cutouts for camera and light sensor
- Anti-reflective
- Complete privacy from a 60° angle of vision
- Can be removed without residue
- Durable with protection up to 3H hardness pencil scratches
- Clear view and accurate colour reproduction
- Clear document folder for the safe storage
