Key features:

Nokia 6300 4G – your conversation starter. Stay connected to everyone you love with WhatsApp and Facebook. Keep up with your top shows on YouTube and find your way with Google Maps – more streamlined experiences with speedy 4G. Plus, find answers, get information and reach out to friends with the Google Assistant<sup>1</sup>. All this powered to perform and packed into a durable polycarbonate shell so you can keep those chats going for longer.

Share the love.

Nokia 6300 4G is all about connections. Access to WhatsApp and Facebook makes it easy to stay in touch with your friends – and there’s more on the app store to discover.

Entertainment on tap.

Stream what you like, when you like on YouTube.

Be the link.

Enjoy the ease of 4G and share a connection with the WiFi hotspot.

Press for success.

With Google Assistant<sup>1</sup>, calling friends and making plans is a breeze.

Make memories that last.

Count on Nokia 6300 4G for your everyday tasks – it’s optimized to perform thanks to the Qualcomm® Snapdragon™ 210 processor. And with the durable polycarbonate shell, you can enjoy your parties and plans without worry.
