

Wireless Charger

00201685 "QI-FC10S-Fab" Wireless Charger, 10 W, Wireless Smartphone Charging Station

Highlightstext:

- Charge Qi-enabled mobile phones quickly and carry on using them: simply position the compatible smartphone in portrait or landscape orientation and charge wirelessly thanks to the universal Qi charge technology
- Qi charging station in high-quality design for the table: simply place, charge and continue using smartphone
- 2 coils allow the smartphone to be charged both in portrait and landscape format
- Charger with stand function for convenient use of the smartphone during the charging procedure
- Inductive charging technology for the wireless charging of compatible smartphones
- Wireless charging of smartphones with Qi technology
- Wireless fast charge technology guarantees extremely fast charging
- Connected devices are automatically detected and optimally charged
- Exclusive and elegant fabric surface protects the back of the smartphone from scratches
- Smartphones in wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- LED function indicator gives information about the device status
- Table charger in appealing design looks good, feels good and fits perfectly in every office and home environment
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Wireless fast charge: fast charger with charging speeds of up to 10 W
- Charging begins automatically after the smartphone is placed on the Qi charging station
- To end the charging process, simply remove the smartphone from the charger
- Smart charging technology: wireless inductive technology (can be used with all compatible devices)
- Tested Qi standards and interoperability: Qi-certified safety and compatibility with optimised energy efficiency through inductive charging
- Smart and safe charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- The stand holder conveniently allows you to use the smartphone while it is charging, watch films in landscape and portrait format and hold video calls
- Everything included: USB charging cable (USB cable with USB-A to USB-C) is included with the mobile phone charger
- Visually appealing design of the desktop charger fits in perfectly with any office and home setting

System Requirements:

With wireless charging technology based on the Qi standard-compatible device (e.g. smartphone, AirPods, etc.)

Note for Consumers:

Please check the product information or operating instructions for your device or contact the manufacturer to see whether your device, e.g. smartphone, headphones, etc., supports wireless charging technology based on the Qi standard.

Technical characteristics:

- Colour: Black
- Product Division: Mobile Phone
- Productline: Essential Line
- Shade of colour: Black
- Connection: USB-C-Connector
- Input: 5V/2A, 9V/1,67A
- Charge Technology: Wireless Fast Charge
- Display: LED-Funktion
- Height: 109 mm

Wireless Charger

00201685 "QI-FC10S-Fab" Wireless Charger, 10 W, Wireless Smartphone Charging Station

- Length: 82 mm
- Weight: 114 g
- Width: 65 mm
- Input Voltage 1 / Max. Input Current 1: 5 V / 2 A
- Input Voltage 2 / Max. Input Current 2: 9 V / 1.67 A
- Max. Output Power: 10 W
- Required accessories: Charger
- Recommended Use: Smartphone
- Usage: Mobile Phone

Delivery:

- 1 "QI-FC10S-Fab" QI charging station
- 1 USB-A - USB-C charging cable, length 1.5 m
- 1 operating manual
