Booklet Case

00016203 “Extreme Protect” Mob. Ph. Bag for Samsung Galaxy S26 FE, Magnetic, black

Highlightstext:

- Unique mobile phone protection meets elegant design: the D3O-licensed mobile phone bag with integrated card compartment is the bodyguard for your Samsung Galaxy S26 FE - innovative impact protection, fall protection and scratch protection combined with a sophisticated faux leather look
- High-end booklet with D3O® licence: this mobile phone case guarantees break-resistant and impact-resistant fall protection – long-lasting mobile phone protection in all situations
- Drop it like it's hot: 10 times in the test! The mobile phone bag is made for the most extreme conditions - drop-proof up to a height of 3.5 m, tested and certified to military standard MIL-STD-810Hw
- Scratch-resistant with 4H hardness rating: tough, strong surface finish protects the back of the mobile phone against scratches and abrasions from anything in your trouser pocket, handbag or jacket pocket
- All-black everything: that little black number is now also available for your mobile phone - mobile phone case with transparent colour gradient in black for the classic black look
- The mobile phone case is compatible with Qi2 technology and Hama Qi2 chargers
- Integrated, perfectly orientated magnetic ring allows wireless charging
- All-round robust mobile phone case: high-quality faux leather for long-lasting mobile phone protection
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Lay it down carefree: the raised edges on the back of the phone case provide protection for the protruding camera lenses without affecting the quality of the photos
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- A clean sweep: the mobile phone case also covers the side buttons - this protects against dust and enables a perfect pressure point
- Mobile phone case with wallet function: the 2 card compartments in the mobile phone case offer space for ID, cards, tickets, notes etc. - always at hand without having to search for your wallet
- Bumper with grip: with the anti-slip material and the ribbing on the sides, you always have a secure grip on the mobile phone case
- Fingerprint-resistant surface: the high-quality faux leather of the mobile phone case avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Shock-resistant corners thanks to material reinforcement for even more safety in the event of bumps and falls
- The highlight: The mobile phone with the bag lies flat on the table etc. with the small feet on the corners, creating a straight surface with the camera protection so the mobile phone does not wobble
- Non-slip, scratch-resistant faux leather with a good grip does not slide easily out of the hand, off the table or other surfaces
- Flexibility: easy to attach to your smartphone

Note for Consumers:
With some smartphone models, the fastening magnets can interfere with individual functions.

Complete designation for test and method:
MIL-STD-810Hw/CHANGE 1(2022) Method 516.8 Section 4.6.5

Technical characteristics:

- Colour: Black
