

Hama microSDHC 32GB Class 10 UHS-I 80MB/s + Adapter/Photo

For real-time/broadcast recording; allows fast and direct data transfer between a memory card and a UHS-I capable terminal device.

This removable storage medium allows data to be written and erased as many times as is required.

Micro SecureDigital High Capacity Card (microSDHC), complies with new SD 3.01 specifications.

Especially suited for real-time full HD video and 3D video recording.

Adapter for SD card format included.

This microSDHC memory card is only suitable for terminal devices with a microSDHC slot (not downward compatible with microSD slots).
