Lenovo FHD Webcam

Professional webcam, anytime, anywhere.

The Lenovo FHD Webcam is designed to elevate your digital experience. With a Full HD 1080p resolution, this webcam ensures quality visuals, capturing every detail in vivid clarity. Whether you're working, learning, or connecting with friends and family, it provides the perfect balance of form and function. It's Microsoft Teams Certified, ensuring seamless compatibility and flawless performance during meetings.

Why you need the Lenovo FHD Webcam

1080P

Clear video, every time.

With its advanced HD camera, the Lenovo FHD Webcam adapts effortlessly to various lighting conditions, delivering stunning visuals in every environment. Experience true-to-life video at 1080p, 30 fps, with a personal-use-optimized field of view that's perfect for video calls, virtual presentations, and more.

Privacy, flexibility, and peace of mind.

The built-in dual noise-canceling microphones ensure crisp audio, making sure you're heard with precision. Its versatile mounting options, including tripod support, make it easy to set up anywhere. Plus, the integrated physical privacy shutter offers peace of mind, allowing you to protect your privacy with a simple slide.

Certified to perform, always.

Certified by Microsoft Teams, this webcam guarantees exceptional performance in both video and audio, helping you engage and communicate like never before.
