

14" Eco-Friendly Laptop Sleeve

Part Number: K60103WW | UPC Code: 085896601036

Not only helps
to protect
laptops and
tablets - helps
to protect the
planet.

Made from recycled water bottles, the 14" Eco-Friendly Laptop Sleeve carrying case not only helps protect laptops and tablets from scratches, bumps and drops, it helps protect the planet. Perfect for most laptops and tablets up to 14" (see product specifications for sleeve dimensions). Exterior storage pockets keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop. An adjustable shoulder strap and integrated handle offer multiple carry options. Premium zippers and stitching are built to last. Integrated ID holder, great for students and professionals alike. Two-year warranty.

The Professionals' Choice™

14" Eco-Friendly Laptop Sleeve

Part Number: K60103WW | UPC Code: 085896601036

Made from Recycled Water Bottles

Each 14" Eco-Friendly Laptop Sleeve is made from approximately five recycled water bottles otherwise destined for landfills or our oceans.

Protects a Wide Range of Laptops and Tablets

Fleece-lined interior helps keep your device protected from scratches, bumps and drops. Perfect for most laptops and tablets up to 14" (see product specifications for sleeve dimensions).

Exterior Storage Pockets

Keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop or tablet.

Multiple Carry Options

Use the adjustable, removable shoulder strap, integrated handle or slide the entire sleeve into a backpack, briefcase or bag.

Premium Materials

Built to last with water-repellent material and high-quality zippers and stitching.

Integrated ID Holder

Great for students and professionals alike, helps easily identify and locate the owner if lost or misplaced.

Two-Year Warranty

Rest assured knowing you're covered by Kensington.
