

Charging Station

00201978 5-Port USB Charging Station, GaN, Fast Charger, 3xUSB-C, 2xUSB-A, PD, 140 W

Highlighttext:

- Multi-USB charging station with five ports and especially high performance: three sockets in the 5-in-1 charging station offer fast charging technology with Power Delivery via USB-C, while the two USB-A ports support Qualcomm® Quick Charge™ 3.0 - so smartphones, laptops, tablets, headphones, smart watches, power packs, etc. can be charged at maximum speed via the socket
- Choose turbo mode: the fast charger charges many times faster than a conventional charger - charging speed with Power Delivery up to 140 Watt, additionally supports Qualcomm® Quick Charge™
- Perfect for tablets and smartphones with high charging power: Charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generation since these often no longer come with chargers included when purchased
- De l'énergie pour cinq : chargeur USB multiports avec cinq ports pour charger cinq appareils en même temps, par exemple l'ordinateur portable via USB-C, un smartphone sur le port Qualcomm, une tablette, un Power Pack et un autre téléphone portable
- Compact and flexible: the USB charger with multiple ports offers connections for all devices on the desktop, including a laptop, thanks to its 140 Watts of charging power - tidy, practical and clearly set out
- Powerful GaN charger: super-efficient with low heat development and all in a compact and lightweight design made possible by components made from gallium nitride
- Supports Power Delivery and Qualcomm® Quick Charge™ 2.0/3.0 technology, which guarantees extra-quick charging, faster than with conventional charging technologies
- Maximum compatibility: Power Delivery and Qualcomm® Quick Charge™ 3.0 can be used universally, so are suitable for laptops, smartphones, tablets and power packs
- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Optimised charging protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.
- Connected devices are automatically recognized and optimally charged
- Robust USB quick charger with cable: high-quality USB charger for long-lasting use, no separate power supply unit required
- Backwards-compatible with all versions of Power Delivery and Qualcomm® Quick Charge™ 3.0 technology
- Max. output power: 140 Watts - Universal charger for the rapid charging of mobile phones or other devices via the USB-A and USB-C interface
- Thanks to the 1.5 m long mains cable, can be positioned anywhere, e.g. directly on the desk, on the shelf or on the sideboard in the hall
- Flexible USB charger with multi-purpose function in slim, multi-port design
- 100 - 240 V mains connection suitable for worldwide use in conjunction with country-specific adapter

Note for Consumers:

Please check the product information or operating manual of your terminal device or contact the manufacturer to see whether your smartphone supports PD (Power Delivery) or Qualcomm® Quick Charge™ 2.0/3.0.

The integrated charging IC adapts the assignment of the USB port to the connected device. This means that devices from all brands can be charged with maximum speed. The device delivers a total charging power of max. 140 W. If several devices are connected simultaneously, the charging power may be split.

Technical characteristics:

- Colour: Black
- Shade of colour: Black
- Compatible devices: Laptop/Smartphone/Tablet
- Compatible manufacturers: Universel
- Connection: USB Type A female/female/USB-C-Connector
- Power connector plug type: Euro Plug, Type C (CEE 7/16)
- Charge Technology: Power Delivery/Supports Qualcomm® 2.0/Supports Qualcomm® 3.0
- Material: Plastic Material
- Number of Devices that can be Charged Simultaneously: 5

Charging Station

00201978 5-Port USB Charging Station, GaN, Fast Charger, 3xUSB-C, 2xUSB-A, PD, 140 W

- Cable Length: 1.5 m
- Depth: 7 cm
- Height: 3.1 cm
- Weight: 410 g
- Width: 10.1 cm
- Charging Indicator: None
- Charging Method: Connection

Delivery:

- 1 USB charging station
- 1 mains cable with earthed plug
- 1 instruction manual
