Holder with key-lock

Fits for device with or without handstrap. Module Upgrade Cradle. 2 keys included.

Item no: 739310

EAN Number: 7320287393101

This holder is to be used when you will secure your device and still have it easy accessible. Perfect for use in stores, at exhibitions and any place where you want to use your device without having it easy removable. In order to remove the device from the holder you need the key or a certain amount of violence is required. The holder includes a lock and two keys.

This is a Module Upgrade Cradle, this means that you can upgrade or replace features by using some of the following modules:

Item no. 216304 Charging module, with cig-plug and Easy-switching system.

Item no. 216305 Charging module, for fixed installation with Easy-switching system.

The holder is equipped with a tilt swivel so you can easily adjust the angle for better viewing, or switch between portrait and landscape mode. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade black ABS/Acetal plastic. Made in Sweden. Attach onto a Pedestal Mount or an ProClip mounting platform.

Fits the following models:

Zebra TC73

Zebra TC78
