

Dell Gaming Backpack 17 - GM1720PM

STUNNING

Look RAD carrying this backpack with vibrant, rainbow hue reflective panel wherever you go

PROTECT

Robust and weather resistant with heavy-duty body fabrics with a coated base material

FUNCTIONAL

Dedicated laptop pocket and a variety of accessory pockets allow for easy access and organization

COMFORT

Stay cool thanks to the air channel design and breathable air mesh back padding

Features & Technical Specifications

Be seen with a stunning reflective design that produces a vibrant rainbow hue when bright lights hit it to ensure you're more visible in the dark.

Plenty of storage for busy days

The sternum strap with quick-release buckle allows you to easily adjust for improved load distribution and carrying comfort.

An attached, easily deployable rain cover gives extra protection in adverse weather and then tucks away when not in use.
