

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

USB-C Cable 1m

Article number: 4136675

Premium quality, 2nd-generation USB 3.1 cable with E-Mark and reversible USB-C male connectors on both sides. The aluminium connector housing and durable jacket provide added protection. The new USB-C standard delivers transfer rates of up to 10 Gb/s. E-Mark ensures simple detection, synchronisation and charging up to 20 V at 3 A / 60 W for the latest device generation. It also supports the connection of two current-generation MacBooks, as well as USB 3.0 data transfers.

- 2nd-generation USB C 3.1 cable
- With E-Mark, aluminium connector housing and braided cable jacket
- Transfer rates of up to 10 Gbps
- Up to 20 V / 3 A of power throughput (60 W)
