# HP Mobility 11.6 in Laptop Case

## Extend the Life of Education Notebooks

Student laptops have to stand up to a lot of use and sometimes abuse, even if it is accidental. Protect your investment with an easy to carry, slim, rugged and lightweight 11.6-inch case<sup>1</sup> that has an outer shell made from 100% recycled plastics<sup>2</sup>. Perfect for inside and outside the classroom.

### Protection Wherever Your Education Notebooks Roam

Help keep your notebooks protected from bumps and scratches with this rugged, but lightweight case. Whether students are in classrooms or on the move, feel sure their laptops are protected by a sturdy outside shell and plush interior with added internal water resistance for all-weather protection.

### Made with 4 Recycled Plastic Bottles<sup>2</sup>

HP is helping conserve natural resources, reduce landfill waste and lower energy consumption by using material made from recycled plastics in our cases. With an outer shell made from 100% recycled plastics<sup>2</sup>, you can feel good knowing that this case not only protects your laptop, but also helps our planet.

### Lightweight Case. Heavy-Duty Protection

While this zip-around case may be lightweight, it delivers heavy-duty protection for student notebooks both on the go and at their desks. The double handle makes it easy to carry anywhere, while its slim profile makes it an easy fit for most backpacks.

### Ready to Work. Easy to Connect

Just unzip the case and use your notebook – without removing it. Tough interior elastic straps keep it securely in place. Convenient port and connector access make it easy to connect external drives and peripherals. After class, just zip up and carry with the rugged double handle or in a backpack.

### 3-Year Limited Warranty

This rugged case protects your notebook while HP protects your purchase to provide peace of mind. That's because a 3-year limited warranty comes as standard on every case.

1. Supports up to a 13-inch diagonal notebook  
2. Exterior shell material is made from 100% Recycled PET. 4 16.9 oz bottles are used in the exterior shell material.
