

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

ARTICONA DisplayPort Cable Slim

Article number: see below

Experience the 8K UHD DisplayPort cable with graphene shielding and TPE jacket. Our special material allows us to make this cable even thinner and more flexible. It supports Ultra HD 7680 x 4320 (8K, DSC) at 60 Hz and Ultra HD at 120 Hz for a stunning visual experience with audio and video racing through the cable at 32,4 Gb/s. Our super flexible DisplayPort cable has an outer diameter of just 4.5 mm and aluminium connector housings.

- Super flexible DisplayPort cable with just 4.5 mm external diameter
- Graphene shielding
- Aluminium connector housings
- AWG 34 copper wire
