Discover the UrbanOne Backpack, your ultimate companion for urban adventures. Constructed from a coated outer fabric made primarily from recycled PET bottles and a lining crafted from recycled dope-dyed fibers, this backpack is both practical and functional. The padded compartment fits laptops up to 15.6", while the front pocket with top-load access ensure effortless organization. Safety pullers secure valuables, and the Pass-thru trolley strap makes traveling with wheeled luggage seamless.

Key Benefits

- Outer fabric with a coated finish, mainly made from recycled PET bottles
- Lining made from recycled, dope-dyed fibers
- Padded compartment for laptops up to 15.6", with two open pockets for accessories
- Front compartment with top-load access and a zippered accessories pocket
- Safety pullers on the devices compartment for securing valuables - can be locked together or anchored to a webbing loop
- Side pockets are sized to hold a water bottle or umbrella
- Pass-thru trolley strap
- Padded back panel for maximum comfort
